

Adding Content Area to Your License

- ☑ Indiana allows the addition of certain content areas to one's existing license by taking and passing a Pearson CORE content test. Access a list of these areas: http://www.in.nesinc.com/Content/Docs/IN_test_requirements.pdf
- ☑ Some content areas require coursework AND testing. These areas are: Early Childhood Education , Elementary Education, Communication Disorder, Exceptional Needs, Fine Arts, English Learners and High Ability
- ☑ The areas of CTE: Family and Consumer Sciences, CTE: Agriculture, CTE: Business Services & Technology and CTE: Marketing may be added by testing AND by providing 4,000 hours of documented work experience in this area.
